

The Spina Bifida Clinical Care Meeting (SBCCM) is a unique forum where you can access all that's new, evolving, challenging and successful along with unparalleled opportunity to meet, network and collaborate.

- **Connect** with experts and thought leaders.
- **Engage** with experienced professionals on how to develop and enhance Spina Bifida programs.
- **Participate** in learning experiences relevant to the work you do.
- **Enjoy** the right mix of educational sessions, networking and downtime with colleagues from coast-to-coast.
- **Explore** our solutions-focused exhibit hall and learn about breakthroughs that can help improve the quality of life for those living with Spina Bifida.

JOINTLY ACCREDITED PROVIDER™
INTERPROFESSIONAL CONTINUING EDUCATION

Attend the Bowel Management Protocol Workshop

The Spina Bifida Association (SBA) will host a separate event introducing its **Lifespan Bowel Management Protocol**. Healthcare experts, those living with Spina Bifida, and SBA, worked together to develop a formal, intensive, neurogenic bowel management protocol.

The Lifespan Bowel Management Protocol will be introduced in a workshop format, including didactic and simulation experiences.

The Bowel Management Protocol Workshop is only offered to Clinical Care Professionals and is an additional cost. CME Credit hours will be offered.
